VISUAL FEATURE GUIDE / DISPLAYS & SOUND

A cockpit for every passenger

Third-generation smart cockpit | Front and rear entertainment | Premium audio

29-inch integrated front display

21-inch rear screen / Halo Theater audio

Dual-area cockpit & passenger display

29-inch 6K panoramic front panel

Infotainment and front-passenger entertainment share one integrated ultra-wide screen.

Rear passenger entertainment

21-inch 4K / 90 Hz

Dedicated rear cabin screen; front and rear content can play in sync.

Pristine Halo Theater audio

27 speakers / 4,720 W peak

23 cabin + 4 headrest speakers; 7.3.4 immersive layout and dedicated subwoofers.

High-performance infotainment

Qualcomm Snapdragon 8797 Elite

48 GB RAM / 256 GB storage for responsive displays and seamless interaction.

AI voice & connected interaction

Li Xiang voice assistant

Voice-based cabin interaction, media sharing and casting; regional functions vary by software.

Charging & everyday connectivity

Dual 50 W cooled wireless pads

Six USB-C charging ports, wireless device cooling and convenient cabin power outlets.

VISUAL FEATURE GUIDE / SEATING & CONVENIENCE

Flagship comfort, five seats

Four Zero Gravity seats | Automatic door convenience | Family-focused amenities

Rear Zero Gravity seating

10-litre heating and cooling refrigerator

Four Zero Gravity seats

Front and rear relaxation

Five-seat cabin with four full-size lounge seats and soft comfort cushions.

Heating, ventilation & massage

Multi-mode seat massage

Comfort seat functions, hot-stone massage and coordinated relaxation / spa modes.

Recline & powered leg rests

Up to 55-degree rear recline

Four-way adjustable extended leg rests; head, lumbar and leg support.

Four automatic doors

Powered door convenience

Four automatic doors with soft-close and anti-pinch protection; roof-mounted power-close controls.

Powered tailgate

Automatic cargo access

Convenient powered opening and closing for the rear luggage compartment.

Heating & cooling fridge

10-litre capacity

Rear-access refrigerator for chilled drinks, snacks or warming items.

Rear folding tables

Two passenger tables

Integrated rear passenger work and dining surfaces.

3D smart climate control

Six individually controlled zones

Four front zones and two rear zones; CN95 cabin air filtration.

Quiet, private cabin

Sunshades / ambient lighting

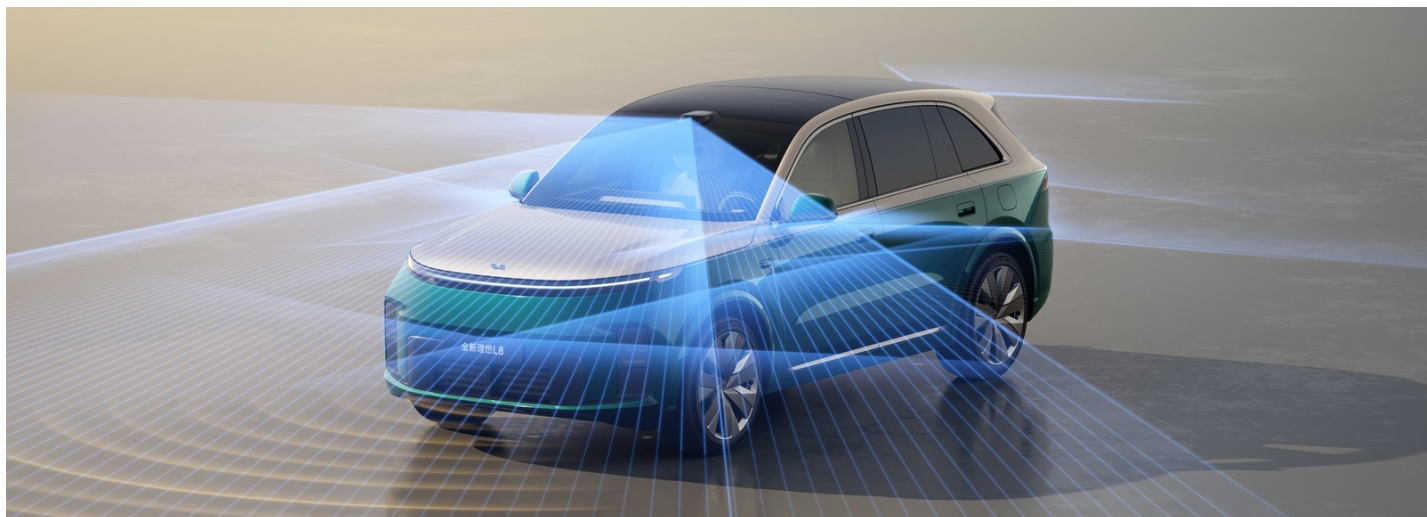

Panoramic roof, power sunshades and acoustic laminated glass support cabin comfort.

VISUAL FEATURE GUIDE / LIDAR & DRIVING TECHNOLOGY

Intelligent assistance & safety

MACH intelligent driving technology | Sensor perception | Active and structural safety

Official Li Auto illustration of the L8 perception system

LiDAR sensor perception

4 LiDAR sensors

ATL-P plus 3 solid-state variable-focus LiDAR sensors; 7 driving cameras at 8 MP.

MACH intelligent driving compute

Dual M100 / up to 2,560 TOPS

Dual proprietary computing chips for intelligent driving and embodied intelligence.

VLA assisted-driving technology

Navigation & driving assistance

Vision-Language-Action model supports advanced assisted driving and scene understanding.

Automatic parking & surround view

Parking assistance / 360-degree view

Four surround-view cameras complement the driving sensor suite and aid low-speed manoeuvres.

Advanced active safety

AEB / AES assistance

Automatic emergency braking and emergency steering support, subject to the supplied software.

Fortress body & occupant protection

9 airbags / 2,000 MPa steel

High-strength door rings and impact beams, battery protection and adaptive high-beam lighting.

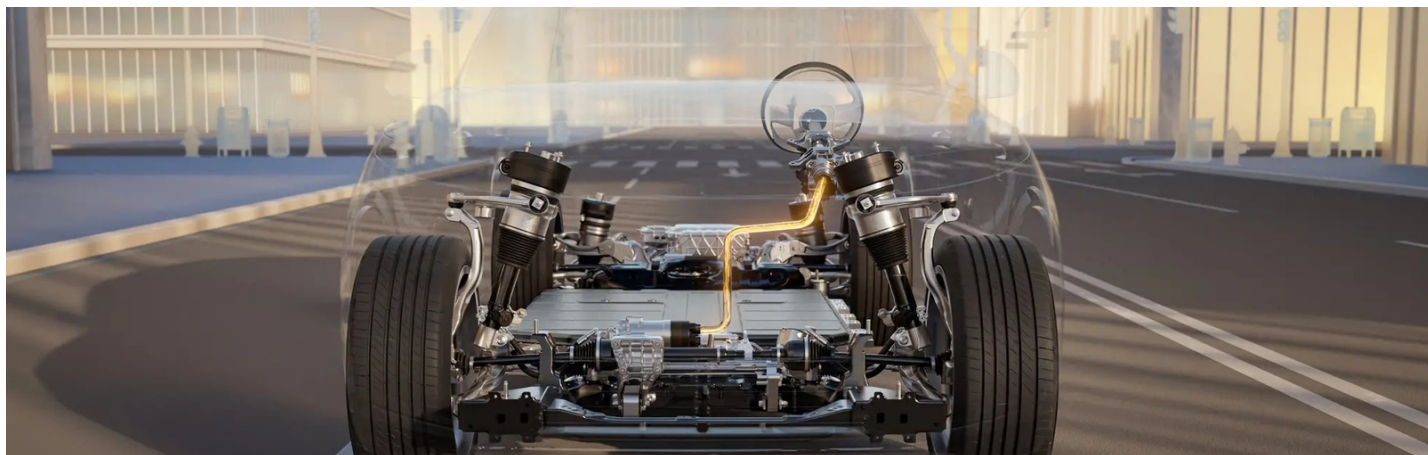

Driving functions require driver supervision. Sensor / chip details follow Li Auto model references and the Livis sheet; exact GCC hardware and enabled regional functions are confirmed by the dealer at reservation.

VISUAL FEATURE GUIDE / POWERTRAIN & CHASSIS

Electric power, extended freedom

Dual-motor all-wheel drive | 800V architecture | Rear-wheel steering

Steer-by-wire and rear-wheel steering, illustrated by Li Auto

Dual-motor AWD

420 kW / 710 Nm

563 hp (571 PS). Electric motors drive all four wheels.

Performance

0-100 km/h in 4.8 s

Top speed: 200 km/h, per the supplied vehicle information.

5C battery & charging

72.7 kWh / 800V

High-voltage 5C supercharging architecture for electric daily driving.

Driving range / WLTC

353 km EV / 1,385 km combined

Official UAE test-cycle figures. Actual range depends on conditions.

Petrol range extender

1.5-litre turbocharged generator

Third-generation EREV system provides electric propulsion with petrol backup.

Air suspension

800V fully active system

Livis active suspension and electro-mechanical braking.

Steering & manoeuvrability

Steer-by-wire + rear steering

Rear-wheel steering; 5.1 m turning radius in the official model reference.

Flexible luggage space

820 L + 110 L underfloor

Rear seats fold for larger loads; 4/2/4 split layout.

Cabin & external power

220V / 2.2 kW cabin outlet

3.5 kW external power output; USB-C and 12V cabin outlets.

Size: 5,135 x 2,000 x 1,800 mm | Wheelbase: 3,045 mm | Five seats

OPTIONAL EXTRAS / CONFIGURATION PRICES / DEALER COVER

Li Auto L8 Livis / prices & cover

Selected paint + optional extras | All prices in AED | GCC specification

Power boards / side steps

Optional + AED 7,500

Electrically deployable steps for easier cabin access.

Service package	5 years / 50,000 km

FULL DEALER WARRANTY IN UAE

All quoted vehicles are GCC specification. The supplied original quote governs the dealer warranty and service package shown above.

Brown-Gold example: AED 314,900; with both optional extras: AED 326,900, matching the original quote.

RESERVATION / SPECIFICATION NOTES / SOURCE REFERENCES

Your next step: choose the finish

Exterior color, interior selection and optional extras are confirmed at reservation.

Reservation & quotation terms

- 20% deposit to reserve the vehicle; balance on physical delivery. The order is confirmed upon receipt of the agreed deposit / advance payment.
- Excluded: registration, insurance, financing charges, number plates and other local government administrative fees.
- AED prices govern. Extras are added to the selected vehicle/color price. Stock quantity, interior color and delivery date are confirmed at reservation.

DELIVERY & ALLOCATION

Expected arrival: End of October 2026. Units in stock: 9. Color allocation and final delivery date are confirmed at reservation.

Specification reference

The 2026 L8 is a five-seat SUV. Its front cockpit uses one integrated 29-inch 6K panel with infotainment and passenger entertainment areas, plus a separate 21-inch 4K rear screen.

Ultra: one MACH M100, ATL-P LiDAR and Magic Carpet air suspension. Livis: dual M100, ATL-P plus three additional solid-state LiDAR sensors, 800V active suspension and customized two-tone options. GCC fitment is confirmed by the dealer.

Range figures are labelled by test cycle. The supplied Livis sheet quotes up to 430 km electric and approximately 1,670 km combined on CLTC; its folded luggage reference is approximately 2,388 L. These do not replace the UAE WLTC figures in this quote.

Images are illustrative. Exterior color photos are official-source images with exposure enhancement; feature photographs are manufacturer illustrations. Interior colors and pictured equipment may vary by trim.
